

# A great day, (some) great golf – and \$9000 for local Hospices.

BNI Millenium Chapter and SANZ thank all those who made the BNI Golf Day at Warkworth Golf Course such a success.

Together we raised \$9000 to be shared by North Shore, Warkworth and Northland Hospices. Our thanks to Warkworth Golf Course for providing the perfect venue - and throwing in perfect weather!

Of course the golf day was possible only with the help of the individuals and businesses who generously donated their time and money, plus thousands of dollars of products and services. Our sponsors:

Albany Insurance Services, Amac Automotive, Asparona, AXA, Barfoot & Thompson, CM Digital, DRG Technology, Fraser and Jim Lamb, Fullers Paihia, FunctionEight, Furlong + Associates, George Deeb & Associates, Jack Property Maintenance, Kevey Collision, Kumeu River Wines, Lion Nathan, Mark Adams Brand Stories, Mark Greenslade/Edge Mortgages, Millennium Institute, Orb Communications, Parkland Products, Sacred Hill Wines, Scholastic, Signtech, Start Smart – and principal sponsor Propella Software.

So thank you everyone, organisers, players and sponsors  
– see you again next year!
