

## Dear valued FunctionEight Ltd

We really appreciate your support and loyalty over the years in helping Dell to build a better future. With the increasing development of IT applications deployed by Dell at your site, we gain mutual trust and Dell has already listed yours as a key account. This illustrates our commitment of delivering best service and support to meet the increasing needs of your future business.

Herewith we glad to grant the certificate of "Dell VIP Business Partner" to you. Our purpose in reviewing Partnership is to enhance our support for delivering you our IT products and applications and to quickly respond to your suggestions. We believe, thanks to Dell's Business Partners, that our business could continuous grow and develop. We will deliver greater value with our superb Dell products and competitive prices as always.

We look forward to the great success with you.

Thank you and best wish to your business.
